We have a variety of advertising opportunities on ammsa.com to accommodate your advertising needs in order to deliver your message to a targeted Aboriginal online audience.

- Our audience is extremely loyal and visits our site on a regular basis for a purpose.

- Our online audience is engaged and is looking for online advertising that provides them information and resources.

- The response rate for online advertising at ammsa.com (click through rate) is significantly higher (10 to 30 times higher) than the national online average.

- Nancy, information and resources on ammsa.com is updated on a daily basis which facilitates the need to visit the site on a regular basis

- We can customize a program to meet your specific advertising needs and budget.

- We can accommodate your creative that you currently have available or we can create an online ad for you at no charge.

- More than 24M Canadians are online; and smart consumers expect businesses to have an online presence.

- The majority of consumers do research online prior to making any (big or small) buying decisions.

- The internet is an essential tool for communication and an indispensable part of life today!
