

## Better plan costs. Better benefits. Same great service.

We recently improved the pricing, plan design, and benefit options of the CINUP plan, an employee benefit plan specifically designed for employers who have both status and non-status Aboriginal employees. To ensure you're paying the most competitive rate for your employee benefits, contact a CINUP service representative at 1.800.665.1234 or email [eebenefits@ricefinancial.com](mailto:eebenefits@ricefinancial.com).
